

WHAT'S YOUR INTERIOR DESIGN STYLE?

The easy guide to help you define your style.

Farmhouse

- Neutral color fabric, whitewashed or natural finish wood
- Leafy greenery, clocks, wreaths
- Galvanized or black metal accents

Traditional

- Classic furniture and decor styles
- Quality leathers
- Timeless prints and patterns

Glam

- Ornate and exaggerated details
- Luxe materials
- Mirrored and metallic accents

Industrial

- Mix of wood and metal
- Distressed finishes and menswear-inspired fabrics
- Unexpected and salvaged materials

Mid-Century Modern

- Mix of clean lines and organic curves in open space
- Pops of color, geometric shapes and wood accents
- Furniture with tapered legs

Minimalist

- Clean lines
- Uncluttered, open space
- Little to no color

Bohemian

- Stylish mix of colors and textures
- Lots of plants
- Maximal amount of decor

Contemporary

- Clean lines
- Pops of color
- Trendsetting shapes

Eclectic

- Funky mix of all styles—old and new
- Various textures, finishes and shapes
- Bold colors balanced by a few neutrals
